

Did you know that we accept SLCP assessments?

Our company is committed to supporting sustainable solutions for our suppliers by using industry tools that drive convergence and collaboration. We accept **SLCP assessments** as it enables data sharing to multiple buyers, saving time and resources on repetitive audits that can be redirected to driving improvements in working conditions.

Contact Us

If you intend to implement or have already implemented SLCP at a facility producing for us, please contact us to know if we will accept the SLCP assessment.

FSLM / SLCP

Keep in mind that if you have a verified Higg FSLM (vFSLM) it counts as SLCP data. Find out more [here](#).

Better Work

Better Work assessments in certain countries are SLCP compatible and can be shared with us via the SLCP Gateway. Find out how [here](#).

Many brands accept SLCP

We are one of many brands accepting SLCP data. Find out which companies have publicly committed to accepting SLCP data [here](#).
