

Why should you replace your current social audit system with SLCP?

BENEFITS OF SLCP

EFFICIENCY

Reduction in time and money spent on audits; reduction in audit fatigue.

COMPREHENSIVE TOOL

SLCP covers all the data points / questions collected in nearly all other assessments & audit schemes

ENABLING COMPARABILITY

SLCP provides common and comparable data – a first in the industry.

MULTI-STAKEHOLDER

SLCP has been developed collaboratively by brands, manufacturers and other stakeholders.

CREDIBILITY

High quality, reliable verified social & labor data.

FLEXIBILITY

Brands can score the data according to their own code of conduct.

FACILITY OWNERSHIP

Facilities own their data & control how it is shared.
