数据分享简介

SLCP评估流程的三个阶段:

- ✓ 工厂通过自我评估或者联合评估填写数据收集工具

第一阶段:
数据收集

1

- ✓ 工厂选择验证公司, 验证公司指派验证员完成验证

第二阶段:
验证

2

- ✓ 工厂浏览数据/报告并向合作伙伴分享报告

第三阶段:
数据共享

分享报告时的常见问题与解答

BUREAU
VERITAS

工厂需要将报告发布以后才能够通过Gateway（网关）/AH（经认可的托管平台）来分享数据么？如果是，怎么发布报告呢？

SLCP是不需要发布报告的。在数据完成验证以后，验证报告批准生效了，或者验证员发给工厂确认验证报告14天后，验证后的报告信息会自动上传到Gateway（网关）上，那时就可以开始分享这些数据信息了。

用Gateway（网关）和AH（经认可的托管平台）分享数据有什么区别？

区别在于Gateway（网关）上分享的数据是最原始的数据信息。而AH（经认可的托管平台）可以提供更进一步的信息分析功能或附加其他的服务。

数据分享需要收费么？

从Gateway（网关）上分享数据信息是免费的。而从AH（经认可的托管平台）上分享，可能会有不同的要求和费用。

数据分享可以用其他语言模式么？比如分享中文的SLCP数据和报告

不可以。现在这些数据只能用英文分享。

How to Share a Verified Assessment with Brands on the FFC Platform

Share a Verified Assessment from the FFC Platform

There are 2 types of shared assessments in FFC:

1. Assessments that have been completed on the FFC platform
2. Assessments that have been completed on another Accredited Host platform and shared with FFC

1. Assessments that have been completed on the FFC platform

- Completed verified assessments can be found on the *Verified SLCP Assessment(s) tab*.
- By default, no brands are given access to facility assessments – facilities must grant brands access.
- Brands in the FFC know that they must have a Status of “pending” or ‘active’ on your facility profile else you cannot share your assessment with them. Brands also have a button where they can send facilities and email and request access to the assessment.
- Assessments that are Deleted or Invalidated cannot be shared
- There is no fee to share an assessment that was completed on the FFC platform with brands on FFC

To grant your brand access to an assessment completed on the FFC Platform:

Click the *Verified SLCP Assessment* tab

Click the **Wrench** icon to see a list of FFC Brands that are SLCP Signatories and are linked to your factory in the FFC.

2. Sharing assessments with FFC that have been completed on another Accredited Host platform

FFC has been an Accredited Host since SLCP's inception. SLCP charges FFC a fee for assessments that are shared with FFC from another accredited host. Since inception, FFC has allowed facilities to share SLCP assessments from other Accredited Hosts at no cost .

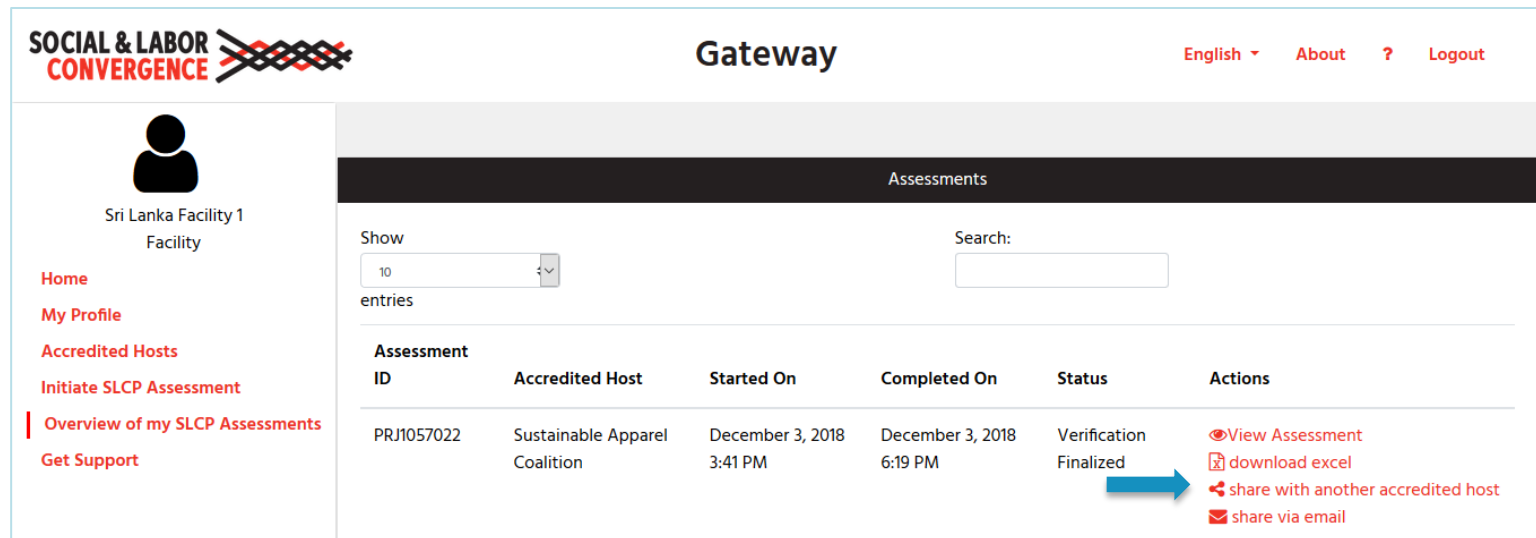

Starting 17th Feb 2022, FFC will pass on the cost that SLCP charges FFC to the facility.

You only must pay the fee once and then you can share the assessment with as many FFC brands as you wish. The fee is \$60 USD – the only forms of payment accepted are credit card and Paypal.

Assessments that have been completed on another Accredited Host platform and shared with FFC

Facilities must be registered as an SLCP facility on FFC before they can share their assessment. If you have not registered in FFC yet, please refer to the beginning of this document for help with registration.

Sharing is done from the **Gateway** – facility will log into the Gateway and select *Overview of my SLCP Assessments* from the menu. Click the *share with another accredited host option* from the **Actions** column. A list of all AH's that the facility has registered with will display – choose FFC.

Change the 'no access' to 'has access' next to the name of the brand you wish to grant access to.

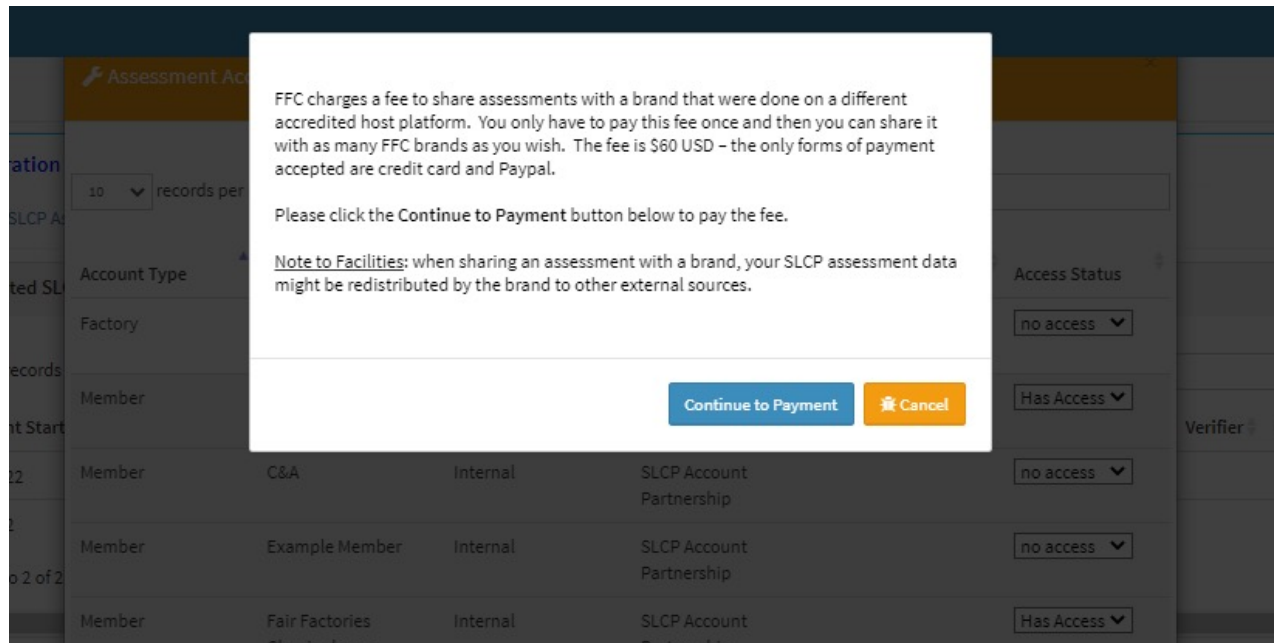

The screenshot shows the 'Assessment Access Control' interface. At the top, there's a title bar with a key icon and the text 'Assessment Access Control'. Below this, there's a search bar and a dropdown for '10 records per page'. The main content is a table with the following columns: Account Type, Account Name, Affiliation Type, Account Security Role, External Organization Type, and Access Status. The table contains four rows of data. The second row, for 'C&A' (Member), has its 'Access Status' set to 'no access', which is highlighted by a red arrow. The fourth row, for 'Fair Factories Clearinghouse' (Member), has its 'Access Status' set to 'Has Access'. At the bottom, there's a pagination bar showing 'Showing 1 to 8 of 8 entries' and buttons for 'Previous', '1', and 'Next'.

Account Type	Account Name	Affiliation Type	Account Security Role	External Organization Type	Access Status
Factory	Demonstration Facility North	Internal			no access
Member	C&A	Internal	SLCP Account Partnership		no access
Member	Example Member	Internal	SLCP Account Partnership		no access
Member	Fair Factories Clearinghouse	Internal	SLCP Account Partnership		Has Access

If this is the first brand you are giving access to, you will be redirected to the payment page.

Click the **Continue to Payment** button to proceed.

Click the **Cancel** button if you are not ready to make the payment – the brand will not be given access if you click the **Cancel** button.

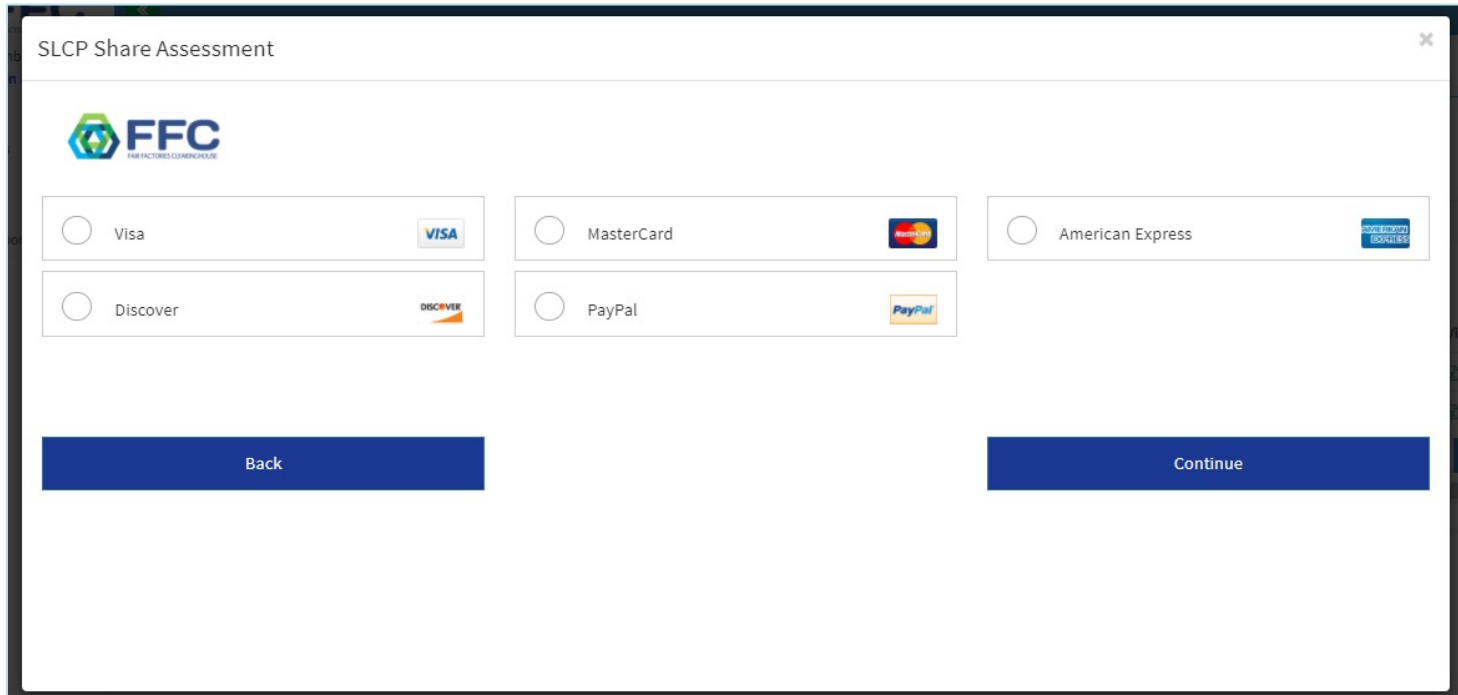

If you are not redirected to the payment page, this means you have already paid the sharing fee or you have completed your assessment on FFC and do not need to pay a fee

通过经认可的托管平台

Select the form of payment and click the **Continue** button.

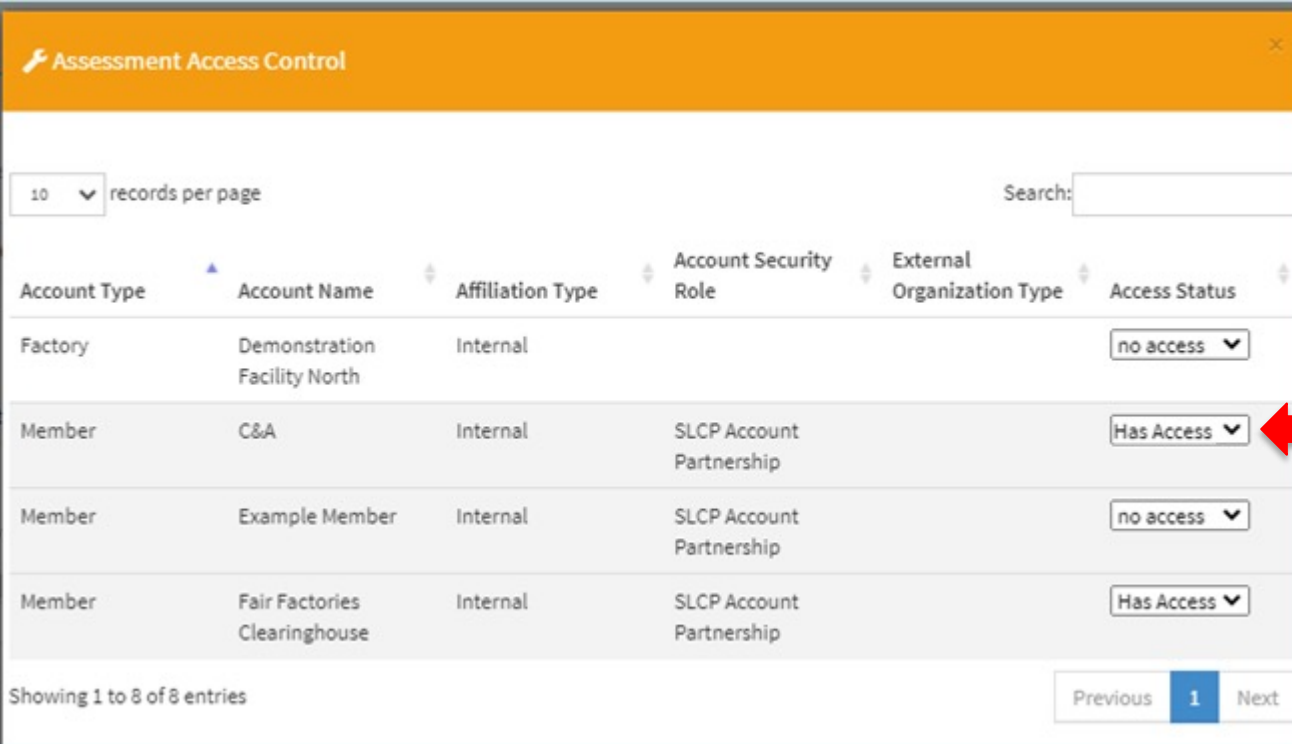

Fill out the credit card information or the PayPal information (depending on your selection)

The screenshot shows a web interface titled "SLCP Share Assessment" with a close button in the top right corner. Below the title is the FFC logo (Fair Factories Clearinghouse). The payment selection area contains five radio button options, each with a corresponding logo: Visa, MasterCard, American Express, Discover, and PayPal. At the bottom of the form are two blue buttons: "Back" on the left and "Continue" on the right.

Once the payment information has been completed, the facility lands back on the below Access Control page and the brand's access status = Has Access

Now the facility can grant the other brands access to this assessment at no cost

Account Type	Account Name	Affiliation Type	Account Security Role	External Organization Type	Access Status
Factory	Demonstration Facility North	Internal			no access
Member	C&A	Internal	SLCP Account Partnership		Has Access
Member	Example Member	Internal	SLCP Account Partnership		no access
Member	Fair Factories Clearinghouse	Internal	SLCP Account Partnership		Has Access

Once you give a brand access – the brand will receive an email letting them know access has been granted. The brand will log into FFC and your SLCP assessment will be visible to them on the *Assessment related* tab (your brands are very familiar with finding assessments here!)

The email address that was used to log into FFC, will receive an email receipt of the payment from FFC. A paid invoice is attached to the email.

C&A – 我们如何使用SLCP数据

- 公开承诺在2022年12月之前用 SLCP 取代C&A SSC审核
- 承诺接受在 C&A 供应链中已完成的 SLCP 验证报告
- 我们正在有序进行:到 2021 年底, 我们已用 SLCP 取代了 50% 的C&A SSC审核

我们如何使用数据

- 选出SLCP CAF Step1和Step 2中最大程度反映C&A COC的问题
- 为相关SLCP问题分配评级并设置评级矩阵
- FFC自动将SLCP 数据转换为评级为A - E的C&A 报告
- 供应商通过FFC平台将SLCP验证报告分享给 C&A 后, 会获得C&A内部评级以及FFC平台上的在线 CAP 链接

这种方式使得C&A能够在继续使用供应商熟悉的评级系统的同时, 可以转为使用 SLCP 数据而不再是C&A SSC审核数据

小测验

对还是错?

1. 数据分享是SLCP评估流程的第三个阶段，也是最后一个阶段。
2. 工厂自行决定他们想把经验证的数据分享给谁。
3. 工厂可以将经验证的数据从SLCP Gateway (网关) 直接分享给终端用户。
4. 工厂只可以通过他们做评估的那个经认可的托管平台来分享经验证的数据。
5. 一些品牌与Gateway (网关) 直接关联。
