Converged Assessment. Collaborative Action. Improved Working Conditions.

Audio Settings | Chat | Raise Hand | **Join** | Leave Meeting

Today's agenda

Topic	Time	Objective
1) Getting Acquainted	15 min.	Understand who is on the call and what we aim to do today.
2) Introducing the SLCP IT system	30 min.	Introduction to SLCP and its IT ecosystem.
3) Navigating the Gateway	40 min.	Step-by-step explanation of all facility actions on the Gateway.
Break	5 min.	Get a refreshment or visit the restroom 😊
4) Accredited Host platforms	45 min.	Detailed look at the Active Accredited Host systems, an explanation on how to navigate them and the value-added services they provide.
8) Final Q&A	15 min.	To cover any question that has not been answered yet.

Getting Acquainted

Who are you?

Tell us

- 1) Which country are you from?
- 2) Which type of organization do you work for?
- 3) Have you already navigated the SLCP IT system?
- 4) What do you consider one of the best inventions ever?

The SLCP IT System

What is the Social & Labor Convergence Program (SLCP)?

SLCP is a multi-stakeholder initiative to reduce audit fatigue and improve working conditions.

VISION

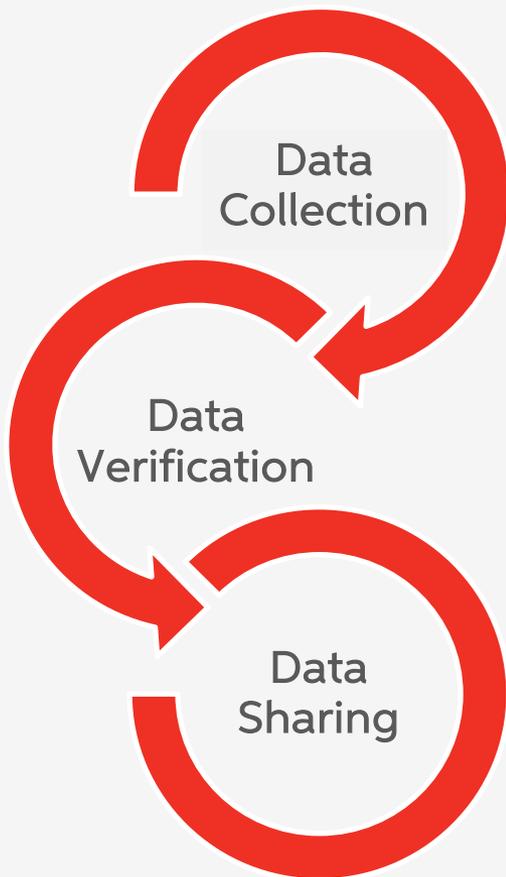

Converged Assessment.
Collaborative Action.
Improved Working Conditions.

MISSION

To implement a **converged assessment framework** that supports stakeholders' efforts to improve working conditions in global supply chains.

SLCP process and platforms

The SLCP assessment process takes place online.

To enable the online process SLCP created a system with one Gateway and multiple Accredited Hosts (AHs).

Put simply:

- The **Gateway** connects all SLCP users, and safely stores SLCP verified data.
- The **Accredited Hosts** facilitate data collection and data verification. They can also analyze SLCP verified data for end users.

As a facility you need to have an account on the Gateway and at least one of the Accredited Hosts.

Steve Harris

Interim Technology Manager

**SOCIAL & LABOR
CONVERGENCE**

International
Trade
Centre

**SOCIAL & LABOR
CONVERGENCE**

The Gateway and AHs

SLCP Gateway

- Stores all SLCP verified data
- Built by ITC
- Hosted on a UN server in Geneva

Active Accredited Hosts

Current Active Accredited Hosts:

- Provide the SLCP Data Collection Tool on their platform
- For facilities and Verifiers to fill in their findings
- Send verified data to the Gateway
- Can receive verified data from the Gateway
- Present verified data to their members/ customers with value-added services (e.g. scoring/ analytics)

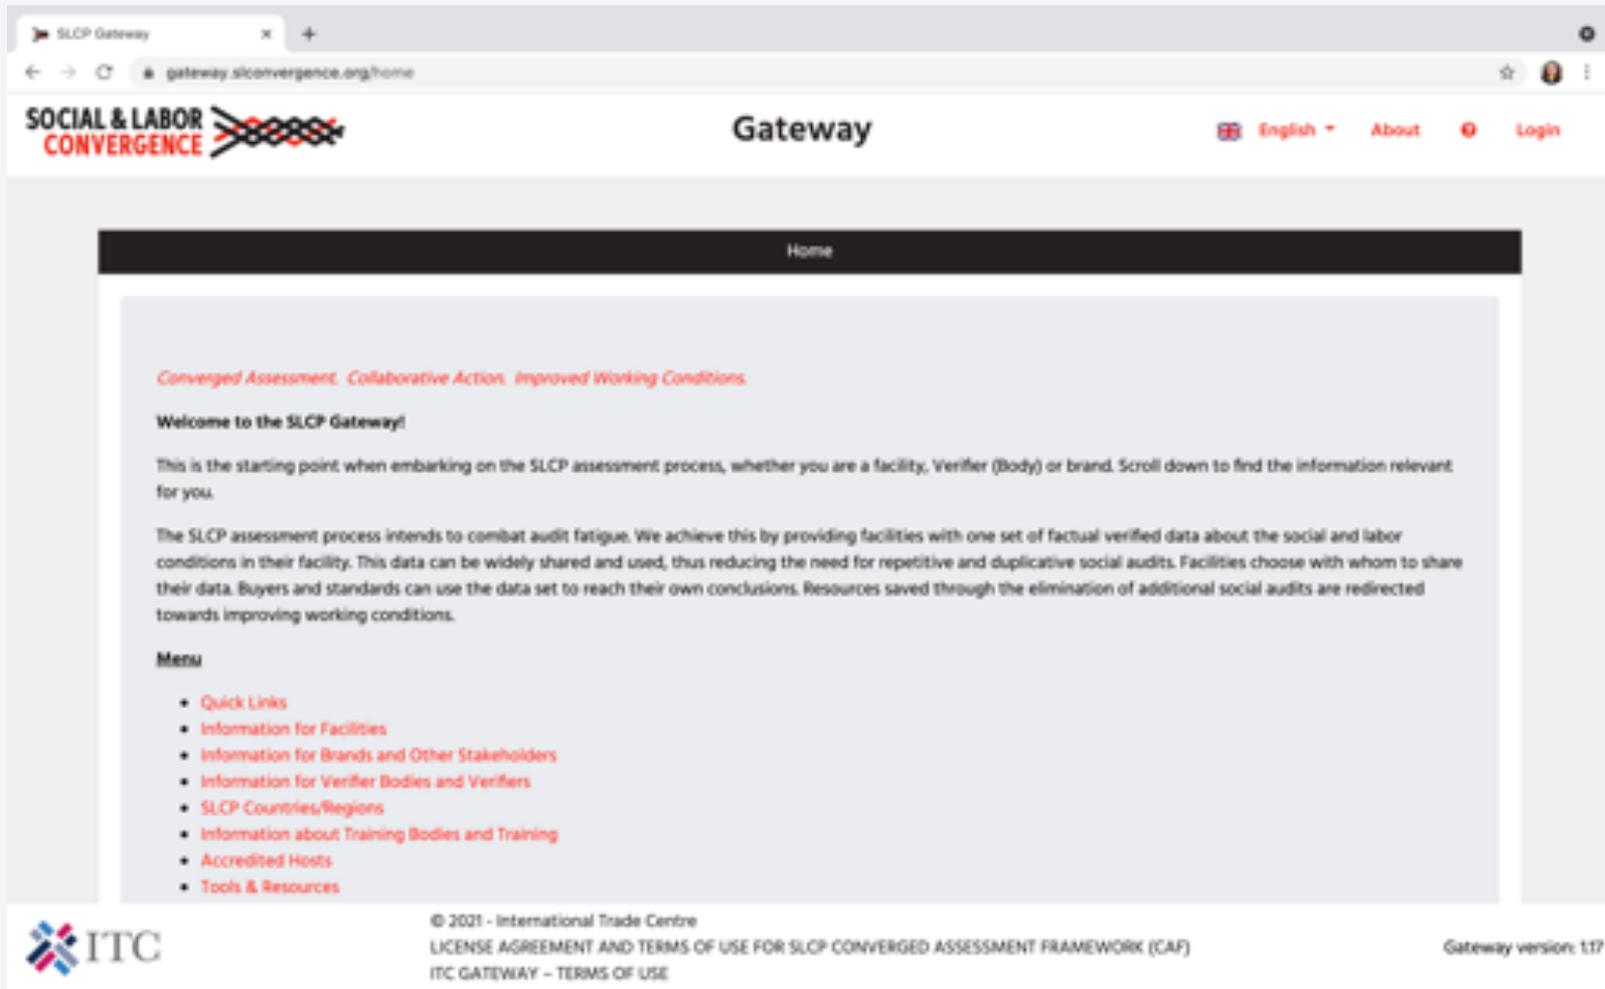

Passive Accredited Hosts

Upcoming Passive Accredited Host:

- Can receive verified data from the Gateway
- Present verified data to their members/ customers with value-added services (e.g. scoring/ analytics)

Gateway first stop when starting SLCP

The screenshot shows the SLCP Gateway website homepage. The browser address bar displays "gateway.slconvergence.org/home". The page header includes the "SOCIAL & LABOR CONVERGENCE" logo on the left, the word "Gateway" in the center, and navigation links for "English", "About", and "Login" on the right. A black bar below the header contains the word "Home". The main content area features a red heading: "Converged Assessment. Collaborative Action. Improved Working Conditions." Below this is a "Welcome to the SLCP Gateway!" section. The text explains that this is the starting point for the SLCP assessment process, whether you are a facility, Verifier (Body) or brand. It states that the process aims to combat audit fatigue by providing facilities with one set of factual verified data about social and labor conditions, which can be widely shared and used, reducing the need for repetitive social audits. A "Menu" section lists several links: Quick Links, Information for Facilities, Information for Brands and Other Stakeholders, Information for Verifier Bodies and Verifiers, SLCP Countries/Regions, Information about Training Bodies and Training, Accredited Hosts, and Tools & Resources. The footer contains the ITC logo, copyright information for 2021, license agreement details, and the gateway version number (1.17).

Home

Converged Assessment. Collaborative Action. Improved Working Conditions.

Welcome to the SLCP Gateway!

This is the starting point when embarking on the SLCP assessment process, whether you are a facility, Verifier (Body) or brand. Scroll down to find the information relevant for you.

The SLCP assessment process intends to combat audit fatigue. We achieve this by providing facilities with one set of factual verified data about the social and labor conditions in their facility. This data can be widely shared and used, thus reducing the need for repetitive and duplicative social audits. Facilities choose with whom to share their data. Buyers and standards can use the data set to reach their own conclusions. Resources saved through the elimination of additional social audits are redirected towards improving working conditions.

Data collection & verification on Active AHs

Different look and feel, same questions and methodology.

Section	Step Selection	Basic Information	Building Structures	Employee Demographics	Nationalities and Languages	Operating Licenses / Certifications	Production Information	Subcontractor Used for Production / Operation
		0 of 24	0 of 18	0 of 24	0 of 13	0 of 5	0 of 11	0 of 3

SOCIAL & LABOR CONVERGENCE

Facility Profile / Section Description

- Step Selection
- Basic Information
- Building Structures
- Employee Demographics
- Operating Licenses / Certifications
- Subcontractors for Production / Operation

IMPORTANT NOTES:
To officially start filling out your tool, please make your "Step Selection" immediately below. The Facility Profile must be filled out in its entirety. Certain answers within your Facility Profile (especially within the "Building Structures" and "Employee Demographics" section) will dictate which questions you will see within the tool. In the event that a fill in the blank "TYPE TEXT HERE" response is not applicable to your facility, please type "Not Applicable" or "None" in order for the tool to consider your response as "Complete".
Exception to the "None" / "Not Applicable" rule are the questions about Please list any additional independent Certifications/Standard Audits; and Subcontractor info:
NOTE: If the facility utilizes more than 6 subcontractors, please list the top 6 in terms of revenue. If you no longer have any certifications/standard audits or subcontractors to list in the tool, please just leave the entries that show up in the tool blank. Do not enter any text into the boxes, otherwise that will prompt another set of entries to appear.
Note: one special question will have to be completed after you have finished your self-assessment: Line 33, far right: "Date of self or joint assessment submission (DD/MM/YYYY)".

Active + Passive

Gateway

SLCP system costs

SERVICES	Facilities	Brands	Verifier Bodies
SLCP Gateway Account	Free	N/A	200 USD per Verifier annually (Access Fee: charged at end of successful Verifier application & exam)
Access to Data Collection Tool on Accredited Host (AH)	Small fee to AH may apply	N/A	Free
Verification	Fee set by Verifier Body (depends on country, facility size etc.). Can be paid by facility or brand		300 USD verification upcharge fee to SLCP
To access verified assessment reports via AH	N/A	Included in AH membership/ service fee	N/A

Any questions?

True or False?

- The Gateway functions as SLCP's central database for all verified assessments
- Assessment and verification data/outcomes must be submitted on an Active Accredited Host
- Only a Passive Accredited Host can analyze data
- You must link your Gateway account to your AH account
- Accredited Hosts can analyze SLCP verified data for end users

Any other question?

ITC – SLCP’s Gateway Partner

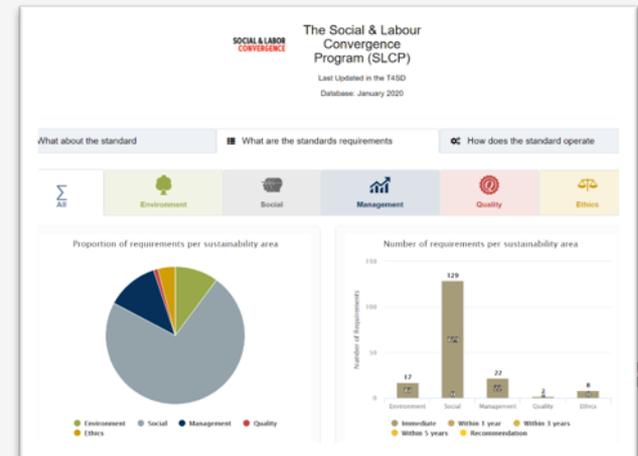

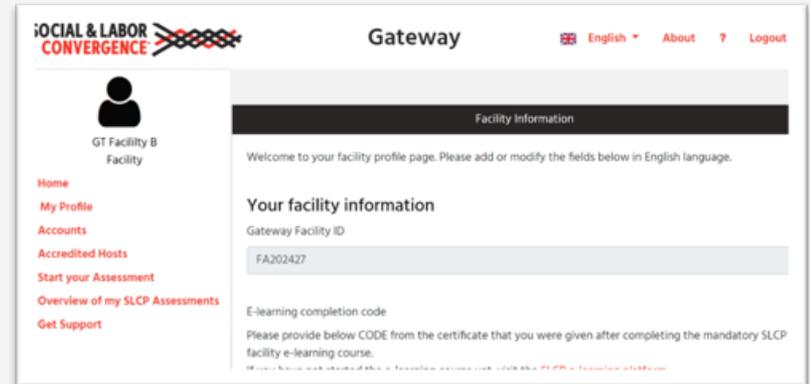

ITC works with local and regional institutions and business people to build trade capacity

Our mission

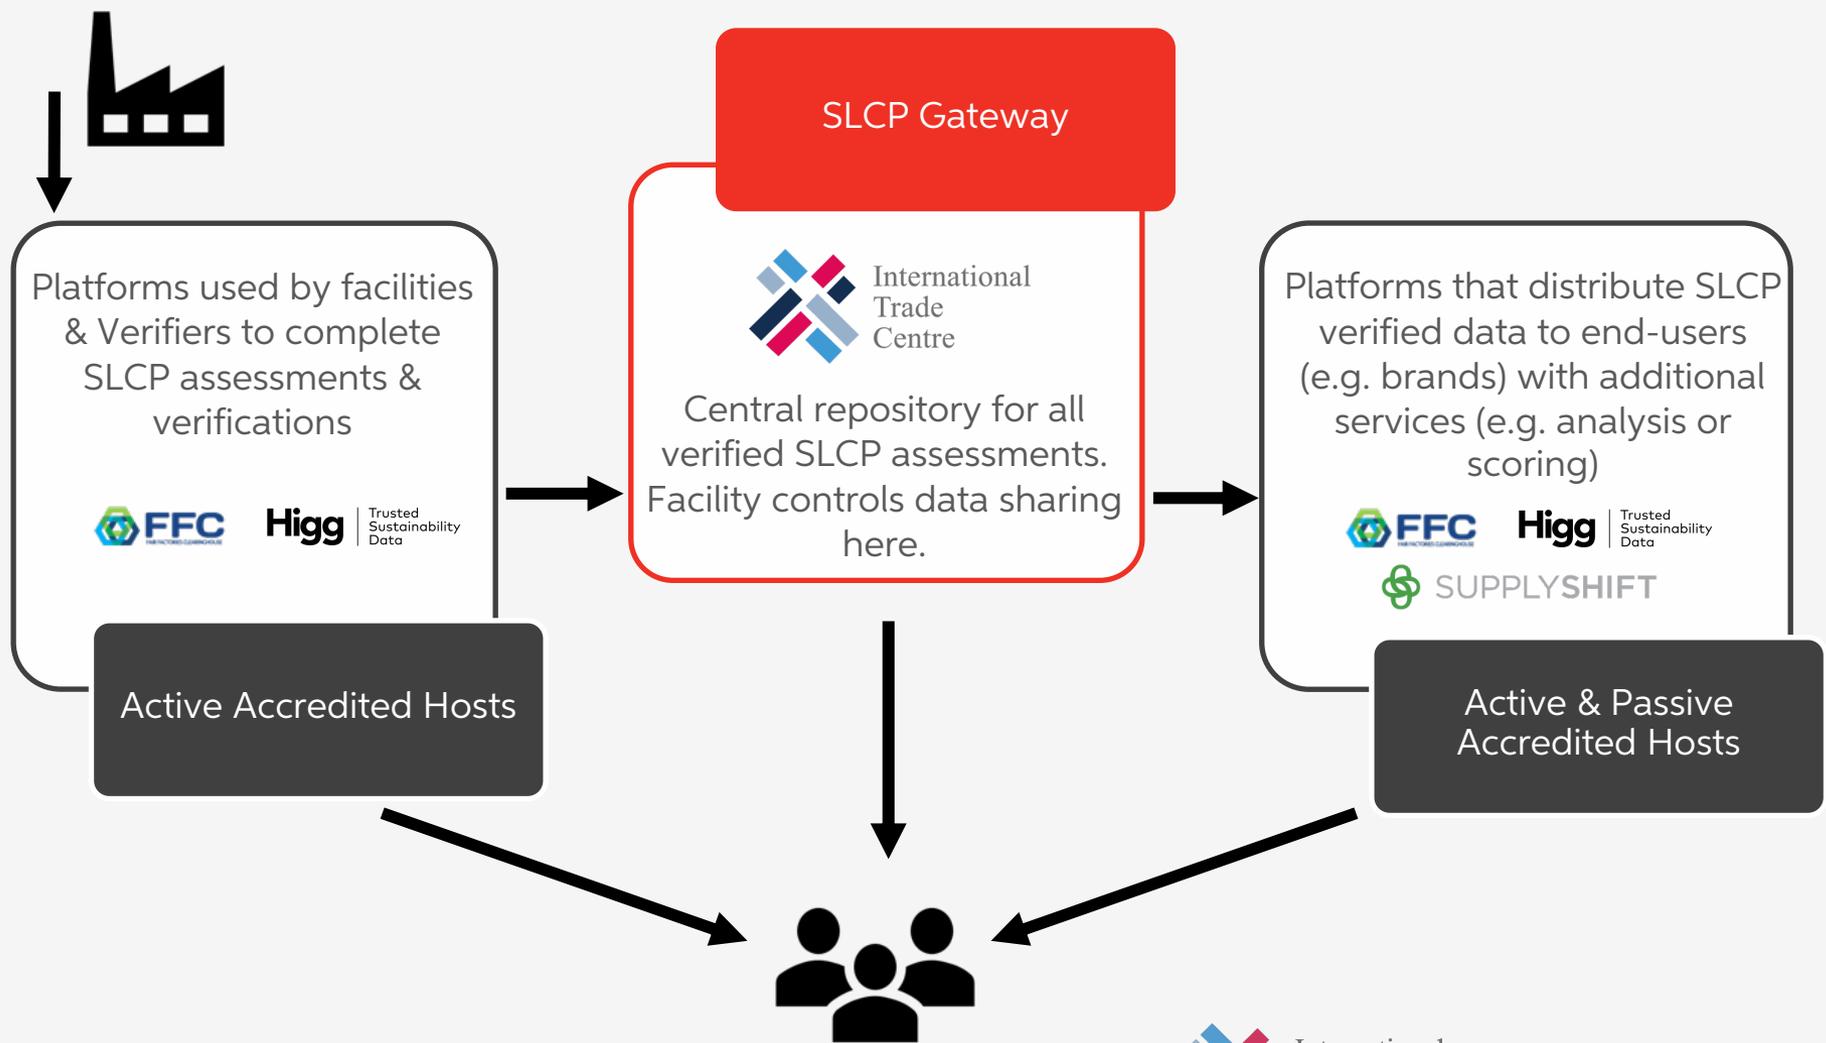

To foster inclusive and sustainable growth and development through trade and international business development.

ITC works together with SLCP to provide:

- Gateway
- E-learning
- Training
- Benchmarking

The Gateway is SLCP's central repository

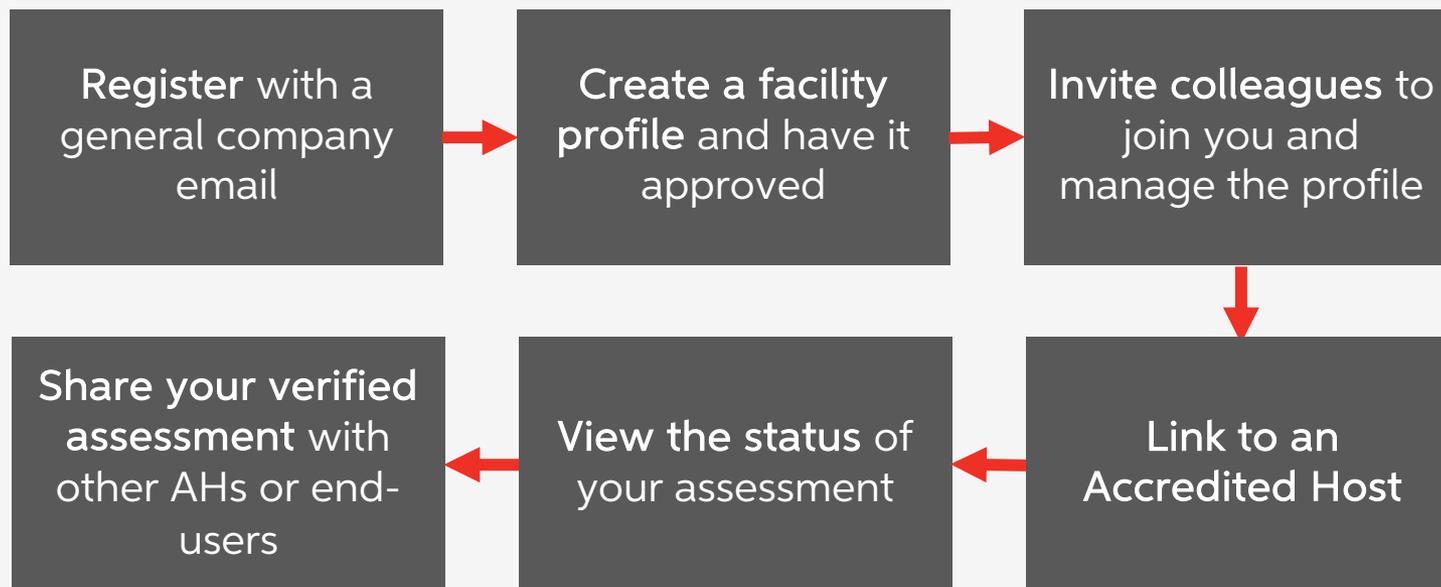

The Gateway and you

Why did we develop the Gateway?

- ✓ Securely store your data on a UN server
- ✓ Share your verified data with your business partners, e.g. brands
- ✓ Connect you with other SLCP users, i.e. Verifier Bodies, Verifiers, Accredited Hosts

What do you do on the Gateway:

Getting started: Register on the Gateway

<http://slcpgateway.sustainabilitymap.org>

Gateway

Facility Information

Welcome to your facility profile page. Please add or modify the fields below in English language.

Your facility information

Gateway Facility ID

E-learning completion code
Please provide below CODE from the certificate that you were given after completing the mandatory SLCP facility e-learning course.
If you have not started the e-learning course yet, visit the [SLCP e-learning platform](#).

Facility Name *

Facility Type * Business License Number * Website

Company Description *
If you are an Apparel Facility, please tell us more about your production process. Do you, for example, cover Cut Make Trim (CMT), washing, printing, fabric production? Include all production processes in the description.

Only register your Facility once – when in doubt, you can use the SLCP [public facilities list](#) to check if your Facility is already registered at the Gateway.

Remember: you can always be „invited” to an existing Facility profile by your Colleague, who created and manages the profile.

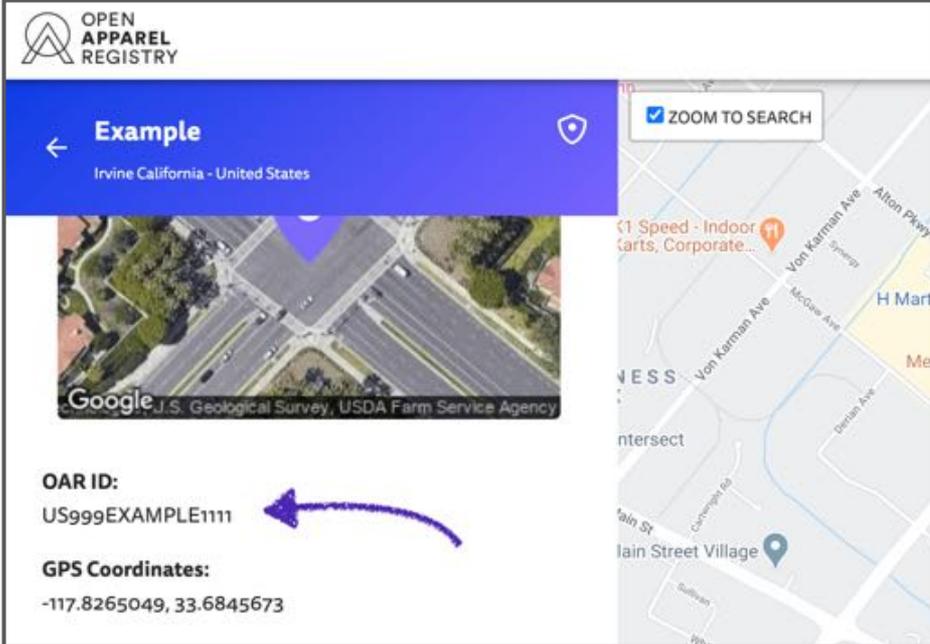

Add your Open Apparel Registry (OAR) ID

OAR ID

If you know that your facility is in the Open Apparel Registry then please add your OAR ID here. If you don't know what your OAR ID is then please go to the OAR website and search for your facility (<https://openapparel.org>).

Include your OAR ID on your Gateway profile to easily identify your facility and connect your profile to your accounts on other platforms.

Visit <https://openapparel.org/> to find your OAR ID and learn more.

The screenshot displays the Open Apparel Registry interface. At the top left is the logo and text "OPEN APPAREL REGISTRY". Below this is a blue header bar with a back arrow, the word "Example", and a shield icon. Underneath the header, it says "Irvine California - United States". The main content area is split: on the left is a satellite view from Google Maps showing a parking lot and surrounding area; on the right is a standard street map view with a "ZOOM TO SEARCH" button. Below the satellite image, the text "OAR ID:" is followed by "US999EXAMPLE1111". A blue arrow points from the right towards the OAR ID. Below that, it says "GPS Coordinates:" followed by "-117.8265049, 33.6845673".

Optional: Link to your brand partners

Brands

Please select Brands from the list that you work with.

i By selecting the brands that you work with, they will be able to see an overview of your assessment progress on their chosen Accredited Host(s), if the Hosts they use have made this option available. This overview includes the status of your assessments and which Accredited Hosts you are using. Brands you select here will not see your final verified assessment data until you share it with them.

Select brands here ▾

Select the brands* you work with to alert them that you are participating in the SLCP process and to let them know:

- ✓ Which Accredited Host you are using
- ✓ Where you are in the assessment process
- ✓ When you have verified data to share with them

* Available for limited number of brands.

Link to Sustainability Map

The screenshot shows the 'Gateway' website interface. At the top left is the 'SOCIAL & LABOR CONVERGENCE' logo. The main header is 'Gateway'. On the right, there are links for 'English', 'About', and 'Logout'. A left sidebar contains a user profile icon and a list of navigation links: 'Home', 'My Profile', 'Accounts', 'Accredited Hosts', 'Start your Assessment', 'Overview of my SLCF Assessments', and 'Get Support'. The main content area is titled 'Facility Information' and contains a welcome message: 'Welcome to your facility profile page. Please add or modify the fields below in English language.' Below this is a section 'Your facility information' with three input fields: 'Gateway Facility ID' (containing 'FA999999'), 'E-learning completion code' (containing 'ABC0345'), and 'Facility Name *' (containing 'Test Facility').

Sustainability Map network profile

I would like to create a free profile at ITC's [Sustainability Map](#) network.

The Sustainability Map platform, operated by the International Trade Centre, allows your company to connect with business partners and chart a path to more sustainable production and trade by better understanding the sustainability initiatives landscape.

Welcome to your SLCP account!

The SLCP assessment process starts here, and consists of the following steps:

I. Register on the SLCP e-learning platform, Gateway and Accredited Host

1. Register on the **e-learning platform** and take the **Facility Course training** on the Data Collection Tool, the Gateway and the Accredited Hosts.
2. **Create an account on the Gateway.** Fill in the e-learning CODE (that you will receive after completing the online Facility Course) to complete your profile on the Gateway.
3. **Create an account on the relevant Accredited Host.** To set-up an account on an Accredited Host you need the Facility ID number from the Gateway.

II. Go through the SLCP assessment process

1. **Perform self/joint-assessment** either online through the Accredited Host or offline through the Excel file.
2. Upload the Excel file to the Accredited Host platform (if offline version used) and review, complete and revise the data according to the Accredited Host's data validation process to ensure the quality of self-/joint-assessment.
3. **Upload any documentation** for Verifier offsite review or Verifier information prior to on-site verification.

III. Go through the SLCP verification process

Section	Sub-Section	Category	Number	Question	Facility Response	Verification Selection	Corrected Response	Verification Date	Non-Compliance	Legal Reference
Recruitment &	Child	Minimum	21 to 25	Facility maintains a copy of a recent diary proof of age				The facility only maintained ID card copies of employees and did not maintain other		

You can download the VRF in PDF or Excel format, and then share it.

Share your verified data with an AH

Sharing your Verified Assessment to another Accredited Host is a two-step process:

1) ONCE - link to the Accredited Host and have them validate your Gateway profile

Name	Linked
Fair Factories Clearinghouse (FFC)	Linked Nov 20, 2019
Higg Co / Sustainable Apparel Coalition	Linked Nov 2, 2019

2) FOR EACH ASSESSMENT - share with the other Host(s)

PRJ174601 Fair Factories Clearinghouse (FFC) April 6, 2021 2:52 PM April 6, 2021 4:26 PM Verification Finalized

- View Assessment
- download attachment
- share with another accredited host
- share via email

Please select the additional Accredited Host platforms which you would like to share this assessment with.

Any questions?

True or False?

- To start the SLCP process you need to register on the Gateway
- You can include your OAR ID and brand partners in your Gateway profile
- After requesting an account on the Gateway and creating a password, your Gateway profile has been approved
- You only select the language spoken by facility management in your profile
- You need to link to the AH where you want to fill in your assessment on the Gateway
- You can share your verified assessment from an AH as well as the Gateway

Any other question?

Take a break,
take a breath!

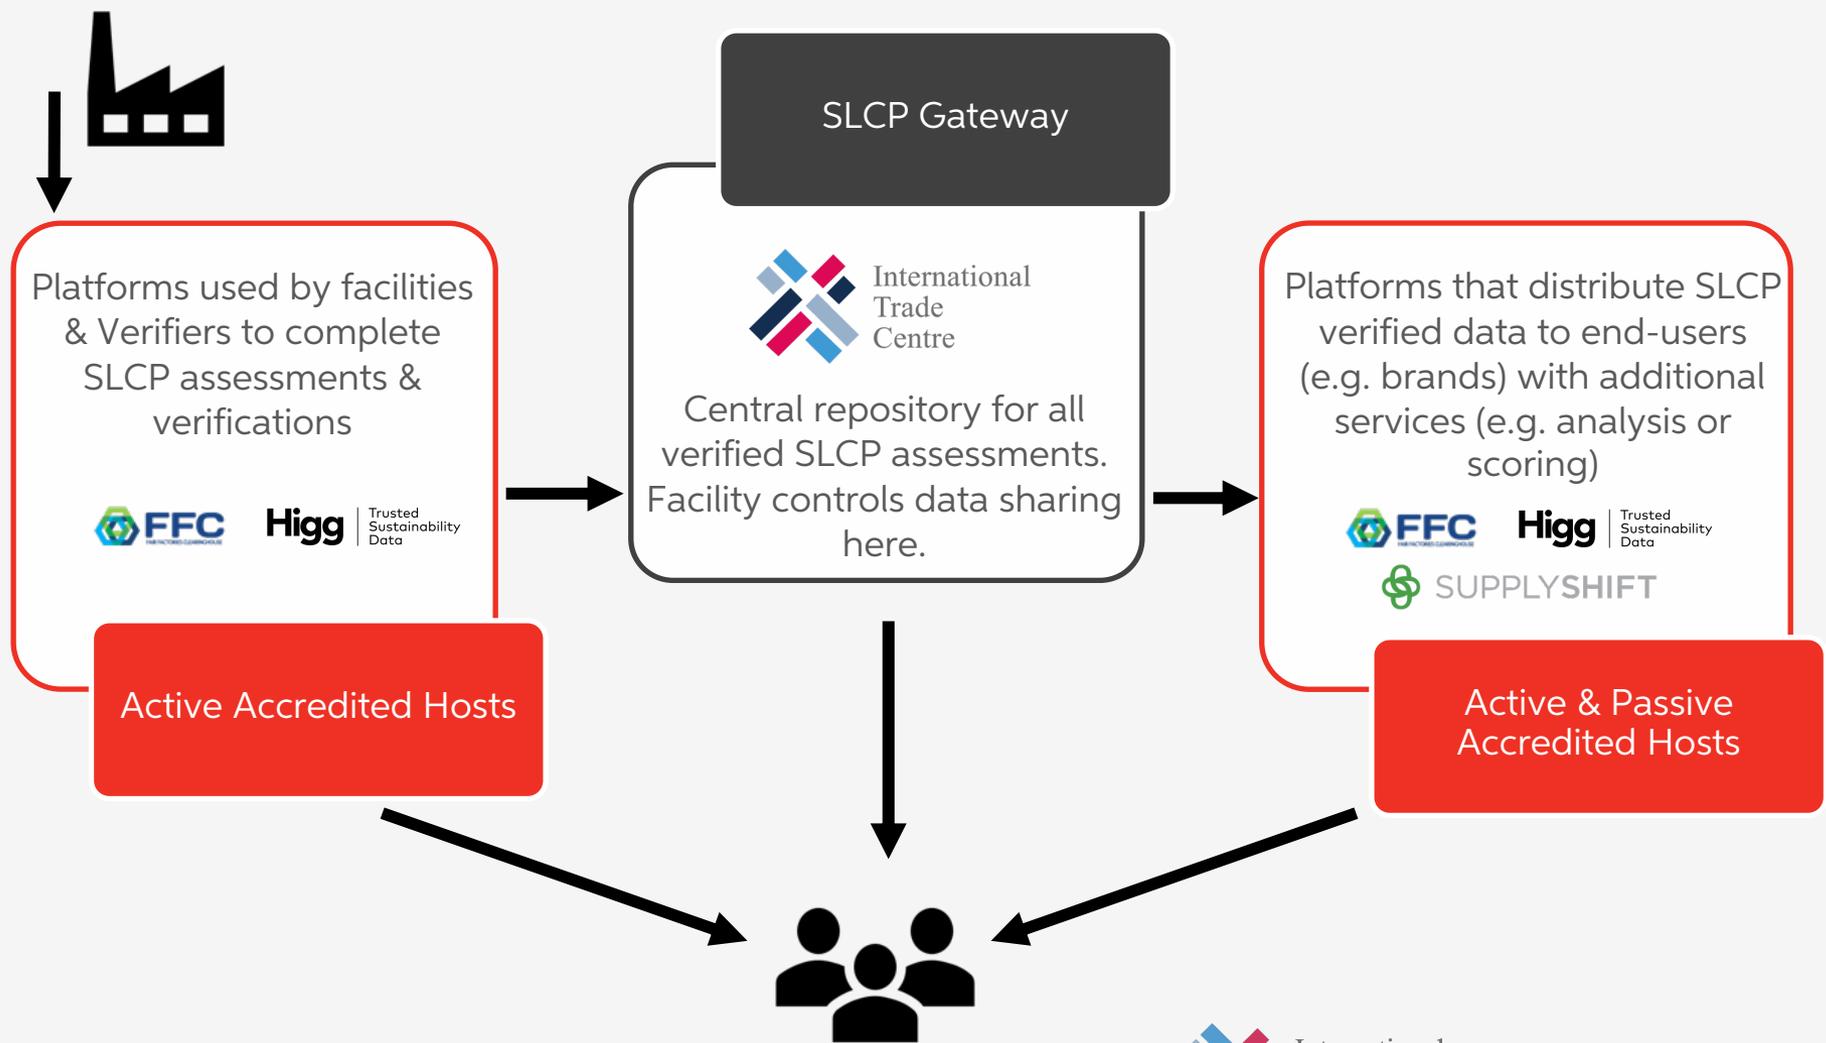

5 Minute Break

Accredited Host platforms

AHs enable data collection, verification & analysis

Services provided by the Accredited Hosts

- Translation to brand Principles or Code of Conduct (CoC):
 - Mapping of SLCP verified data to brand's Code of Conduct
 - Identified violations are presented as Findings.
 - Brand scoring systems can be applied to the Findings automatically.
 - Brands use the Findings to build Corrective Action Plans for follow-up.
- **Benchmarking: showing non compliances to industry standards**

- **Higg FSLM scoring & benchmarking:**
 - Scoring launched
 - Consistent measurement across indicators to all Higg users
- **Reporting & performance improvement functionality:**
 - Critical issue reporting: mapping to ILO conventions
 - Flagged questions: highlights non-compliance with core ILO conventions
 - Verifier report: displays inaccuracies found during verification
 - Performance achievement via: indication of facility performance relative to others

- Manage your suppliers' SLCP responses
- Add your own custom scoring lens
- Follow up with suppliers on corrective actions
- Create dashboards and analysis
- Merge SLCP results with any other supply chain data

For more info, visit <https://slconvergence.org/system>

<https://ffc2.fairfactories.org/Home/Login>

The screenshot shows the SLCP web application interface. At the top, it displays the FFC logo and the user's name 'SLCP Demo User'. The main header indicates the user is logged in as 'SLCP'.

The left sidebar contains navigation options: 'SLCP Member', 'SLCP Training Demo Facility - 93597', 'All Assessments', 'SLCP', and 'Contact Support'.

The main content area is titled 'SLCP' and shows the 'SLCP Training Demo Facility - 93597'. Below this, there is a table with columns for 'Section Description', 'Step Selection', 'Basic Information', 'Building Structures', 'Employee Demographics', 'Nationalities and Languages', 'Operating Licenses / Certifications', 'Production / Operation Information', and 'Subcontractor Used for Production / Operation'. The progress bars for each section are: Step Selection (0 of 24), Basic Information (0 of 18), Employee Demographics (0 of 24), Nationalities and Languages (0 of 15), Operating Licenses / Certifications (0 of 5), Production / Operation Information (0 of 11), and Subcontractor Used for Production / Operation (0 of 3).

The 'Facility Profile / Section Description' section is currently selected. It lists the following sections: Instructions, General Information, Upload/Download Excel Tool, Facility Profile (highlighted), and Recruitment & Hiring.

IMPORTANT NOTES:
 To officially start filling out your tool, please make your "Step Selection" immediately below. The Facility Profile must be filled out in its entirety. Certain answers within your Facility Profile (especially within the "Building Structures" and "Employee Demographics" section) will dictate which questions you will see within the tool. In the event that a fill in the blank "TYPE TEXT HERE" response is not applicable to your facility, please type "Not Applicable" or "None" in order for the tool to consider your response as "Complete".
Exception to the "None"/"Not Applicable" rule are the questions about Please list any additional independent Certifications/Standard Audits; and Subcontractor Info:
 NOTE: If the facility utilizes more than 6 subcontractors, please list the top 6 in terms of revenue. If you no longer have any certifications/standard audits or subcontractors to list in the tool, please just leave the entries that show up in the tool blank. Do not enter any text into the boxes, otherwise that will prompt another set of entries to appear.
 Note, one special question will have to be completed after you have finished your self-assessment: Line 30, far right: "Date of self or joint-assessment submission (DD/MM/YYYY)".

Link with FFC from the Gateway

The screenshot shows the 'Gateway' page of the Social & Labor Convergence platform. On the left is a navigation menu with options like 'Home', 'My Profile', 'Accounts', 'Accredited Hosts', 'Start your Assessment', 'Overview of my SLCP Assessments', and 'Get Support'. The main content area is titled 'Accredited Hosts' and contains text about SLCP assessments and a table of 'Active Accredited Hosts'. A red arrow points from the 'Accredited Hosts' section to a 'Sign In' modal window. The modal window has a green header and contains contact information for FFC, SLCP, and FLA questions, along with login fields for email and password. A red error message states 'Email is required'. At the bottom of the modal is a 'Log In' button and a link for 'I forgot my password'. Below the modal, there are social media icons for Facebook, Twitter, and LinkedIn.

Overview of Program

What do we want to achieve? We believe that we can improve working conditions by joining forces: one single assessment for all, more resources and improvements for everyone. That is why we have created a Converged Assessment Framework that supports stakeholders' efforts to improve working conditions in global supply chains.

This program will help the industry to:

- Eliminate audit fatigue: avoid duplication and reduce the number of social & labor audits, by replacing current proprietary assessment tools
- Increase the opportunity for greater comparability of social & labor data
- Redeploy resources to improvement actions

www.slconvergence.org

The Converged Assessment Framework (CAF) consists of three elements: 1) Data Collection Tool (Excel and online on the AH platform) 2) Verification Protocol (PDF) 3) Guidance (PDF)

Data Collection Tool (Excel and online on the AH platform) The 'Questionnaire' used to gather data on social and labor conditions in a facility. Contains all the assessment questions that a facility must answer through a self-joint assessment and that will be verified by an OGP approved verifier. Can be filled in online on an Approved Host platform or offline through an Excel file downloadable from an

Select the Step of your choice

The screenshot shows the FFC SCLP web application interface. The top navigation bar includes the FFC logo, a user profile icon with the number 93644, and a back arrow. The left sidebar contains navigation options: 'SCLP Member Slip Test Case 1 - 93644', 'Assessments', 'SCLP', and 'Contact Support'. The main content area is titled 'SCLP' and shows 'Slip Test Case 1 - 93644'. Below this, there are tabs for 'SCLP Info', 'SCLP Assessment', and 'Verified SCLP Assessment(s)'. A table with columns for 'Section Description', 'Step Selection', 'Basic Information', 'Building Structures', 'Worker Demographics', 'Nationalities', 'Languages', 'Operating Licenses', 'Certifications', and 'Pro / Op Info' is visible. The 'Step Selection' column is highlighted. Below the table, there is a 'FACILITY PROFILE / Step Selection' section with a red warning message: 'Please ensure you make the correct Step selection. The Self-Assessment Step selection must be the same as the Step selection for verification. You may want to ask your customers/ buyers what Step selection to make.' A yellow arrow points to this message. The bottom of the interface shows a sidebar with icons for 'Instructions', 'General Information', 'Upload/Download Excel Tool', and 'FACILITY PROFILE'.

Downloading / uploading the Tool

The screenshot shows a web interface for 'Slcp Test Case 1 - 93644'. The left sidebar contains 'Assessments', 'SLCP', and 'Contact Support'. The main content area has tabs for 'SLCP Info', 'SLCP Assessment', and 'Verified SLCP Assessment(s)'. A black header reads 'SOCIAL & LABOR CONVERGENCE'. Below it is a navigation menu with 'Instructions', 'General Information', 'Upload/Download Excel Tool' (highlighted), and 'FACILITY PROFILE'. The main content area is titled 'Excel Offline Assessment Tool (CAF)' and contains two steps: 'Step 1: Download the Assessment in Excel format (CAF tool)' and 'Step 2: Uploading Excel CAF tool data into Online assessment'. Step 1 includes a 'Download SLCP Assessment' button. Step 2 includes a 'Choose File' button with a file named 'SLCP Tool (3).xlsm' and an 'Upload SLCP Assessment' button with the status 'Upload in Progress.'. A warning box at the bottom states: 'Warning from SLCP: The offline Data Collection Tool relies of Excel Macros to work correctly. Macros may, in error, become disabled depending on the users Opening System and/or Excel version. SLCP highly recommends using the Accredited Host Online platform. If you are unable to get online and need to use the offline Tool, use Excel 2016 installed on a Microsoft PC to minimize the chances of an error.'

Filling in Tool questions

The screenshot displays the FFC (Fair Factories Clearinghouse) SLCP (Social & Labor Convergence Process) Assessment tool interface. The user is logged in as 'SLCP Member' for 'Slcp Test Case 1 - 93644'. The interface shows the 'SLCP Assessment' tab selected, with a progress bar indicating '100.00% Complete'. The assessment is titled 'SOCIAL & LABOR CONVERGENCE'.

Buttons: [Continue with started SLCP Assessment](#), [Assessment Completed Ready for verification](#)

Selecting a Verifier Body

The screenshot shows the FFC SLCP interface. A modal dialog box titled "Select Verifier Body" is centered on the screen. The dialog contains the following text: "Please Select the Verifier Body that you would like to verify the assessment once it is completed". Below this text is a radio button labeled "UL". At the bottom of the dialog are two buttons: "Save" (blue) and "Cancel" (red). Below the dialog, the main interface shows a progress bar and a button labeled "Assessment Completed Ready for verification".

The screenshot shows the FFC SLCP interface with a modal dialog box titled "Reminder" centered on the screen. The dialog contains the following text: "Reminder: the assessment will not be sent to the VB for verification until you click the Assessment Completed Ready for Verification button". At the bottom right of the dialog is a blue button labeled "OK". The background interface shows a progress bar that is 100% complete and a button labeled "Assessment Completed Ready for verification".

Submitting your data for verification

The screenshot displays the FFC SLCP portal interface. The top navigation bar includes the FFC logo and a user profile icon. The main content area shows the 'SLCP' dashboard for 'Slcp Test Case 1 - 93644'. A prominent black banner reads 'SOCIAL & LABOR CONVERGENCE'. Below this, a progress bar indicates '100.00% Complete'. A red arrow points to a 'View Assessment in Read-Only' button. The status is 'Verification Requested (ASC)' with a 'Change Status' button. Key details include: Questionnaire Name: SLCP Assessment v1.4, FFC Assessment ID: 260188, SLCP Assessment ID: PRJ299552, Assessment Start Date: 07-April-2021, and Started By: 93644@yopmail.com. A modal dialog box titled 'Update Status to Verification Requested' is overlaid, asking for confirmation: 'Are you sure you want to update the status of this assessment to "Verification Requested"? The assessment will no longer be editable to the facility. Click the OK button below to continue - the VB will be notified and assign a verifier.' The dialog has 'OK' and 'Cancel' buttons.

FSLM Dashboard

The screenshot shows the FSLM Dashboard for the 'Castro 2020 FEM Testing' assessment. The interface includes a top navigation bar, a left sidebar with actions, a main content area with assessment details and a table, and a right sidebar with facility and activity history.

1 Top navigation bar: Shows the assessment name 'Castro 2020 FEM Testing', the month 'Apr 2021', and the view 'Overview'.

2 Left sidebar: Lists available actions: 'Share Assessment', 'Submit/Post Assessment', and 'Delete Assessment'.

3 Main content area: Displays assessment status 'Self-Assessment - Not posted' with a progress bar at 91%. It includes a table with columns for Assessment ID, SLOP Assessment ID, Verifying Body, and Verifier Contact. Below the table are options to 'View' (View/Full FSLM) and 'Download Assessment' (CSV or Excel).

4 Bottom section: Contains 'Flagged Questions' and 'Verifier Notification' sections, both indicating that reports are not available.

5 Right sidebar: Contains 'Facility Information' (Name, Address, Country, Contact, CAF ID, Hogg ID) and 'Activity History' (Apr 13, 2021: Updated status; Apr 14, 2021: Allocated self-assessment).

Module Selector & View Access

1

The screenshot displays the FSLM (Foreign Service Language Management) interface. At the top, there are navigation tabs for 'FSLM', 'Dashboard', and 'Modules'. Below this, the current assessment is identified as 'Castro 2020 FEM Testing' with a 'My Account' button. A dropdown menu for the month 'Apr 2021' is open, showing four options: 'Overview' (which is selected and highlighted in blue), 'Assessment', 'Verifier Notification', and 'Flagged Questions'. On the left side, under 'Available Actions', there are three options: 'Share Assessment', 'Submit/Post Assessment', and 'Delete Assessment'. The main content area shows details for the assessment, including 'Assessment ID' (fslmsurvey:e9c11831-3f97-4a34-8fe2-851fa623466f), 'SLCP Assessment ID' (two asterisks), and 'CAF Version' (1.4). A progress bar indicates 'Self-Assessment - Not posted' with a 95% completion rate.

Any questions?

True or False?

- Higg provides manufacturers with the possibility to score their facility's performance
- FFC can compare a facility's verified data set with a company's Code of Conduct and determine compliance
- There is only one Active Accredited Host
- You can start and finish your assessment on SupplyShift
- Brands use different AHs to download the data, facilities only use one to collect the data

Any other question?

Questions?

If you are ever lost...
